

## Vocabulary

We are going to be introducing the following vocabulary: muscle, healthy, balanced, diet, sleep, germs, illness, plague, exercise, safety, hygiene, senses, activity and prevention.

## Phonics

We will be focusing on spelling words with alternative graphemes and looking at which to use with different spelling rules.

Any children who were unsuccessful at the passing the Year 1 Phonics Screening will be receiving intensive phonics interventions to support them, as they will be completing the screening again later on in the year.

## Wonderful Wednesdays

These will continue to include: Art Sessions, Guitar Sessions, Public Speaking Sessions, Basketball and Sporting Games. Please remember to send your child to school in their PE kits on this day., making sure they have no jewellery on and earrings removed

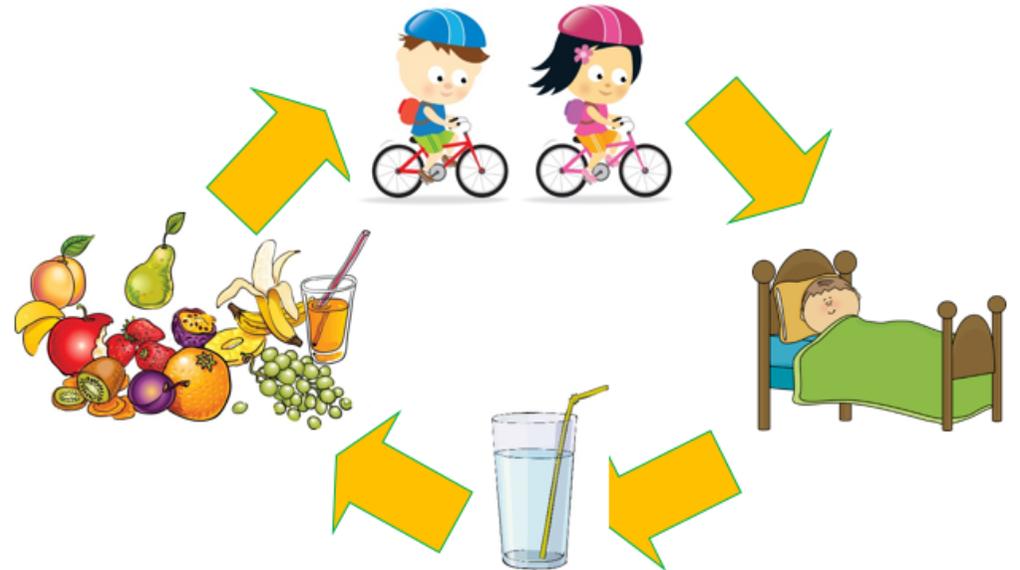

## Homework

All pupils will receive daily Mathematics homework (up to 3 questions) and weekly spellings that we have been learning in class.

The children will also receive either a grammar, reading or writing homework on a Friday .

We expect children to be reading at least 3 times a week to an adult with their appropriately designated reading book. Any words that your child is struggling to read can be jotted down in the reading journal so they can be

# How are you?

Term 3

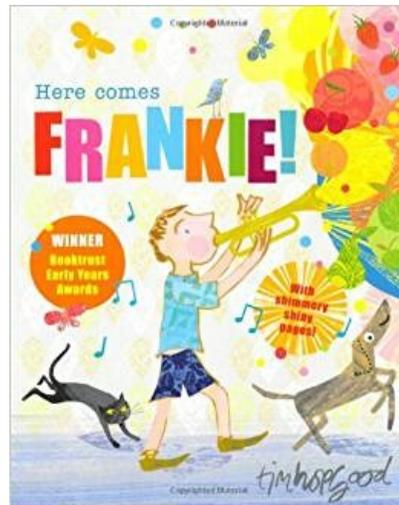

Year 2

Kingfishers & Nightingales  
Miss Mackenzie and Miss Coulam

## English

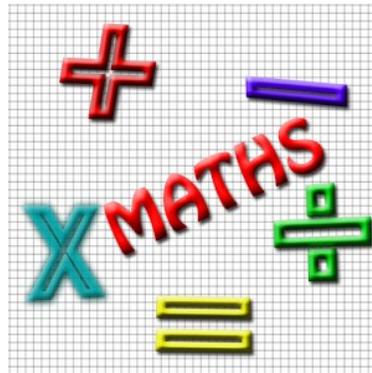

Frankie decides that the extremely quiet life he leads with his parents needs livening up and he acquires a trumpet. As he learns to play, he discovers that he can see and smell sounds conjured by the music as well as hear them and this awakening of the senses extends to his parents and neighbours too.

- To explore, interpret and respond to a picture book
- To explore characters and draw inferences to aid our understanding of them
- To explore narrative plots and characters through role-play and play

## Mathematics

We will concentrate on various aspects of numbers to 100. Pupils will be able to count to 100 through different steps, including counting up in tens. Place value will have a major role throughout the term. Pupils will also look at comparing numbers using their place-value knowledge and they will go through number bonds.

## Topic

This term our topic is '**How Are You?**' which means we will be focusing on our basic needs as living things and how to keep our bodies healthy.

Linking to our science we will also look at how germs have spread throughout history, focusing on the Great Plague.

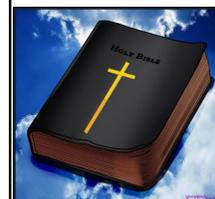

## Science

We will explore what it means to have a balanced diet. Additionally we will consider how to prevent illnesses by investigating how germs spread.

## RE

This term we are learning about **Creation** and its meaning to Christians.
