*Dear Ms Gibbs-Naguar*

I am writing to congratulate you on the performance of the pupils and the staff at Holy Trinity Primary in the Key Stage 2 SATs results from last summer. To achieve the increase you achieved in the proportion of children reaching the expected standard in Reading, Writing and Mathematics from 48% to 56% represents great progress.

Please do keep up the great work and I will be watching with interest the momentum these great results will hopefully bring.

*Best wishes*

*AP* *SM.*
