Learning and caring together, building a firm foundation for the future

31st May 2020

Term 6 Home Learning Update

Dear parents and carers,

This term's Home Learning has been specifically created to enhance and support pupils' well-being, mental health and celebrate new skills acquired whilst at home. Another exciting feature this term, is weekly video Bible Stories read by our teachers. Please be on the look out for text message with the link to Bible story.

Social Stories have been created to help pupils process and understand, the changes to learning and our school environment because of corona virus. Please do take time, to read the '**Learning at Home**' Social Story which was emailed to you last Friday.

As we continue to navigate these challenging times, please note the following important points:

1. Our home learning activities have been developed to take away any pressure you may feel to home school your child with a rigid and academic curriculum.
2. Home learning activities provide fortnightly suggestions for a learning programme that will embed the foundations of learning and secure core skills your child will use when they return to formal schooling.
3. Staff are available to answer queries via e-mail, using specific year group e-mail addresses. Please follow this link to access the specific email address for your child's year group:
<http://www.holytrinity-gravesend.kent.sch.uk/page/?title=Teacher+Contacts&pid=150>

As we move through Term 6, we will continue to provide fortnightly home learning suggestions for all children.

We thank you for your continuing support during these unchartered times.

Yours sincerely

Mrs. D. Gibbs-Naguar
Head Teacher
