At Holy Trinity School we recognise as a Church of England school our responsibility to ensure positive attitudes to inclusion, diversity and difference so that our children learn from the earliest age to value diversity in others and grow up making a positive contribution to society. This is reflected in our Christian values of Respect, Honesty and Love.

We understand the importance of providing a challenging and enjoyable programme of learning and development and we undertake to make reasonable adjustments to enable all to participate in our programme of learning, where all are valued and supported.

Holy Trinity School is committed to avoiding all forms of discrimination as set out in the UK Equality Act (2010). This applies to all pupils, parents and staff members and includes inappropriate discrimination on the grounds of: gender; age; religion or belief; physical ability or disability; ethnicity; marital status and civil partnership; sex; sexual orientation; gender reassignment; pregnancy and maternity. These factors are taken into account in the care of our community members so that care is sensitive to different needs.

We seek to ensure that the individual needs of all our pupils, including those who are disabled or have special education needs are met and pupils are included, valued and supported, and that reasonable adjustments are made for them. We undertake to work with the school community, with parents and with other relevant agencies to ensure that any form of discriminatory behaviour is treated seriously and action is taken to prevent any repetition.

Procedure for Pupils

Holy Trinity School seeks to implement this policy statement effectively through the following actions:

- Provision of our policy statement for equal opportunities to all pupils, staff and parents, including those of prospective pupils.
- Working with outside agencies such as educational psychologists, occupational therapists, family/pupil medical practitioners, gender counsellors (GIRES) and mental health agencies (CAMHS) to support the endeavour of the school in serving the needs of all pupils, parents and staff.
- Discussing, where appropriate, equal opportunities and the special needs of individuals at staff meetings
- Delivering the message of equal opportunities within PSHCE, the wider curriculum and through the extra-curricular programme.
- Dedicating school assemblies to the importance of kindness, care and unconditional respect for members of the school and the wider community.
- Instilling our Christian values of Respect, Honesty and Love, throughout all of our teaching and learning ensuring our children continue this into their community and their future beyond the school.
- Ensuring our children understand British values and showcase these through their actions.
- Meeting the individual needs of pupils, as detailed by parents and by the pupil's previous setting, through teacher, assistant and outside agencies working together with the pupil and the pupil’s parents.
• Monitoring the needs of all pupils as they progress through the school, through discussion at meetings, and written information circulated confidentially, relating to specific support for learning or emotional, social, mental, physical or other difficulties.
