Year 5 Term 6 Curriculum Booklet

Wolves and Komodo Dragons Miss Rootsey & Miss Argent

English

This term, Year 5 will explore the world of the Vikings through two exciting English units: a discussion text and a Norse myth. We'll be learning about key features such as formal language, balanced arguments, paragraphs, dialogue, and figurative language to bring our writing to life.

Mathematics

This term in Maths, Year 5 will focus on decimals, negative numbers, and measurement. We'll build confidence working with place value, explore temperatures below zero, and solve real-life problems involving length, mass, and volume.

Weekly Freckle Tasks will continue to be set on a Friday.

Wider Curriculum: Science & Geography/ History

In Science, Year 5 will be learning about the human life cycle. We'll explore how humans grow and change at different stages of life, from birth through to old age, and learn about the changes that happen during puberty.

In History and Geography, we'll take a deep dive into the fascinating world of the Vikings. We'll discover where they came from, how they travelled, what life was like in a Viking settlement, and explore their impact on Britain through raids, trade, and cultural change.

Basic Knowledge

This term, Year 5 will focus on building strong math fluency through regular practice, problem solving, and reasoning activities. We'll also develop handwriting skills and work on spelling to improve writing accuracy and confidence.

R.E.

This term we are still looking at 'What does it mean to be a Muslim in Britian today?'

This unit enables pupils to learn in depth from different religious and spiritual ways of life about being a follower of the Muslim religion. Pupils explore the five pillars of Islam and the importance of these to Muslim believ-

ers. Pupils will gain a greater understanding of Islam and what we can learn from its beliefs, values and ideas. This investigation provides an opportunity to learn about the Qur'an and other forms of guidance and visit a Mosque.
