Science

During Science lessons we will be looking at Materials, we will be able to:

- Name objects with the same use that are made from different materials.
- Name materials that are used to make objects with different uses.
- Recognise that stretching, twisting, bending and squashing can cause some solid objects

Basic Knowledge

This term, the children will be expected to complete addition, subtraction and shape activities.

We will also focus on our weekly spellings.

Wider Curriculum- History

In History we are looking at local history for Gravesend.

We will explore:

- The importance of Pocohontas.
- How our school was used in the past.
- How Gravesend influence Charles Dickens.
- How the River Thames was used.
- Ordering significant events that have happened in our town.

RE

In RE, Year 2 will be learning about **How do we care for our world and why does it matter? We will be able to:**

- Re-tell Bible stories and stories from another faith about caring for others and the world.
- Identify ways that some people make a response to God by caring for others and the world.
- Talk about issues of good and bad, right and wrong arising from the stories.
- Talk about some texts from different religions that promote the 'Golden Rule', and think about what would happen if people followed this idea more.
- Use creative ways to express their own ideas about the creation story and what it says about what God is like.
